was in attendance at the Tulsa SAME monthly post meeting on Mar 24, 2015 at the Tulsa District Corps of Engineers Office in Tulsa, OK. This program covered technical issues relevant to the engineering profession as outlined below. Speakers may double the PDHs for their topic.

**Speaker: Tim Morgan, P.E. , HNTB Project Manager**

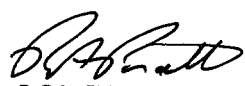

**Topic: Presentation included an overview of the engineering and design associated with the new Riverside Drive Parks project named "A Gathering Place for Tulsa". Presentation outlined coordination with the City of Tulsa for the Riverside Drive (24<sup>th</sup> to 35<sup>th</sup>) Arterial Street Rehabilitation Project.**

**A Gathering Place for Tulsa is a George Kaiser Family foundation initiative to enhance the Tulsa River Parks by connecting three adjacent waterfront parcels to the existing system to create a broad and active civic commons where people of all ages and backgrounds can experience something new, visit after visit.**

**The presentation was sponsored by Weston Solutions.**
