

CERTIFICATE OF COMPLETION

Presented by
Society of American Military Engineers
Tulsa Post

This certifies that

was in attendance at the Tulsa SAME Monthly post meeting on June 21, 2016 at the Tulsa District Corps of Engineers Office in Tulsa, Oklahoma. This program covered technical issues relevant to the engineering profession as outlined below. Speakers may double the PDHs for their topic.

Speaker: Julie Cunningham, Chief of the Oklahoma Water Resources Board (OWRB) Planning & Management Division

Topic: An overview of the Oklahoma's water planning efforts

This presentation provided an overview of OWRB's water planning efforts including water quantity management. The OWRB oversees the administration of over 13,000 water rights and 50-year Comprehensive Water Plan, hydrologic studies as well as water well drillers licensure, floodplain and drought management and Oklahoma's Dam Safety

Total PDH Credits: 0.50 PDH

Lars Ostervold
2016 President
