attended the below described presentation for the June Monthly Luncheon, sponsored by the SAME Tulsa Post on **June 16, 2020**. This program was conducted and attended in a virtual environment. This program covered technical issues relevant to the engineering profession as outlined below. Speakers may double the PDHs for their topic.

Topic: USACE Tulsa's Missions to Combat the COVID-19 Pandemic

Speakers: USACE Tulsa representatives Tulsa's Chris Strunk, PE, and Byron Floyd, PE

This presentation discussed the recent, Spring 2020, COVID-19 Emergency Response efforts by the Tulsa District US Army Corps of Engineers. Topics covered included: Engineering Assessment of proposed Alternate Care Facilities (ACFs) and Contingency Construction efforts to build (3) ACFs for the State of Oklahoma; while providing lessons learned from the technical oversight of both the engineering and construction efforts.

**Total PDHs awarded: 1.0 hours**

*Important: Each member is responsible for applying for his or her own PDH credits with their respective licensing/certification board. The Society of American Military Engineers cannot guarantee that all boards will accept all PDH credit; please check with your licensing board for more information.*
