2021 Engineering & Construction Camps

SAME Engineering & Construction camps provide a rigorous experience for high school students interested in exploring STEM skills and careers. Campers gain a sense of what it takes to become a STEM professional and what options exist to explore that interest from high school to college and beyond. Each camp has a unique curriculum that features hands-on activities conducted in a competitive environment that promotes:

- Teamwork
- Leadership
- Project Management
- Problem Solving

US Army Engineering & Construction Camp
Vicksburg, MS
June 13-19, 2021
