SAME Centennial Celebration Plan And 2025 Strategic Plan
Hello Tulsa Post
SAME Centennial Celebration Plan

May 2018 to May 2021

OUTCOME: The overall expected outcome of SAME’s 3 year long Centennial Celebration is to set the stage for and gain momentum going into SAME’s second century of service to our nation.

PHASES:

PHASE I: The Run to 2020 and Beyond (May, 2018 - May, 2020): increase member participation in and enthusiasm for SAME by getting members involved in centennial activities at the post and national levels – ultimate result is long term active participation, especially at the post level, in SAME because of the positive experience with the centennial.

PHASE II: National Kick-Off Celebration (27-29 May 2020): at JETC 2020 in Washington, DC, formally signal the end of our first century and beginning of our second century; celebrate the important juncture in our history by conducting a memorable national Centennial Society Ball on 29 May 2020.

PHASE III: Post Celebrations (May 2020 - May 2021): focus on posts for the first year of our second century by highlighting post celebrations of what is important to them and their local stakeholders; to underscore SAME’s and our military’s contributions to our national infrastructure and to the development of our profession.
Primary Focus:

Role of Commission: Part of the National Leadership Team; National Coordination of Centennial Activities

National Office: Overall Management of Centennial Celebration; Phase II (JETC 2020) planning and execution; further COI role as extension of national office by involving COI’s in centennial planning and execution

SAME Foundation: LDP Implementation (first graduation at JETC 2020); Foundation Fundraising Campaigns; Special events at JETC 2020 as desired

AOF: AOF Action Plan Implementation (Fellows focus now is to support posts); LDP Implementation; Reset Fellows Investiture to JETC in 2020; Special Fellows events at JETC 2020 as desired

Centennial TF: Dialogue w/ Post Centennial Coordinators – share Phase III plans among posts, keep leadership and members informed of centennial activities

PHASE III
May 2018 to May 2021

**PHASE III: Post Celebrations (May 2020 - May 2021):** Strengthen local importance of SAME Posts by leveraging relationships with local stakeholders and partners to build collaboration at the local level. *If your Post has a significant event that you wish to celebrate before PHASE III, coordinate with National, (Boston on “Old Ironsides” Oct. 17, San Diego Nov 12, and Guam Feb 20, 2020 – Check out the Centennial Celebration site)*

**OUTCOME:** *Use the SAME Centennial to celebrate one or more Post accomplishments and as a tool for assisting posts with membership involvement in SAME.*

1. Celebrate a post level accomplishment or recurring event (that contributed to SAME) – involve partners (chapter/local level), community leaders, etc. Celebrate big events in the lives of stakeholder and partner organizations.
2. 2021. We intend to document the year of post celebrations (Century Book, possibly History channel, etc).
3. Posts create public awareness of the importance of SAME locally through their events – positive messages about collaborating with local stakeholders to produce solutions to challenges – share results with the society through the Centennial Task Force.
4. Track celebrations throughout year in *TME* and other Society News media.
5. Capture post celebrations for inclusion in the *SAME Century Book* and other industry publications.
6. With the help of Posts, develop the streamer criteria (between November 2019 and May 2020) for Strategic Plan 2025. Posts will then be in a position to develop their plans for 2021 by November 2020. New Streamer criteria go into effect in 2021 (so first submission under new criteria is January 2022).

SAME is One Society of Vibrant Posts that are relevant locally and contributing to the national direction!

2025 STRATEGIC PLAN

Goal 1: Strengthen Industry-Government Engagement

Goal 2: Build and Sustain Resilient Communities

Goal 3: Develop Leaders for the Profession

Goal 4: Enrich the STEM Pipeline for the Nation

Goal 5: Prepare Servicemembers & Vets for A/E/C Industry
2025 STRATEGIC PLAN

VISION
Service our nation as the foremost integrator for leadership development and technical collaboration within the A/E/C profession.

MISSION
Build leaders and lead collaboration among government and industry to develop multidisciplined solutions to national security infrastructure challenges.
GOAL 1: Strengthen Industry-Government Engagement

Lead efforts to foster communication and build relationships among Military, Public, Private, Academic and Professional organizations; further collaboration to identify issues and develop solutions in support of national security.
Goal 2: Build and Sustain Resilient Communities

Lead efforts to prepare communities to absorb, recover, and adapt from natural and man-made threats; fortify our nation’s resolve where people work and live.
Goal 3: Develop Leaders for the Profession

Lead efforts to ensure leadership development and cultivate talent necessary to address the nation’s grand challenges; ensure the enduring stewardship of the A/E/C/ profession.
Goal 4: Enrich the STEM Pipeline for the Nation

*Lead efforts to inspire, encourage, and enable youth to pursue STEM careers; help develop the technical capacity our nation needs to remain globally competitive.*
Goal 5: Prepare Servicemembers & Veterans for the A/E/C/ Industry

Lead efforts to fully integrate military and government members into the A/E/C industry; support training, credentialing and networking initiatives that build, maintain and translate skills to meet current and future needs.
We all need to take this Strategic Plan: find our Passion, join that Post Committee or National COI, get engaged and Commit to the future.

This Strategic Plan if “owned” by all of us will increase our membership, have a significant impact to our A/E/C profession and inspire service to our Nation.
